ABOUT SCSE

SOCIETY OF CODERS

The Society of **Computer Science and Engineering (SCSE)** at *NIT Jamshedpur* is a dynamic and forward-thinking organization, founded by Dr. Dinesh Kumar, Head of the CSE Department. .

SCSE organizes a diverse range of hackathons, coding contests, workshops, and tech talks, covering fields such as Artificial Intelligence (AI), Machine Learning (ML), Cybersecurity, Blockchain, Web Development, and Competitive Programming. We regularly invite industry leaders and alumni to share insights, helping students stay ahead in the rapidly advancing world of technology.

Apart from technical events, SCSE also hosts competitions, gaming tournaments, and networking meetups to encourage students to think beyond academics. We provide placement preparation sessions, guiding students on interview strategies, resume building, and career pathways in top tech companies.
